Child Witnesses to Violent Crime

Minors who suffer emotional injuries from witnessing a violent crime may be eligible for up to \$5,000 in mental health counseling. A law that went into effect in 2009 allows the minor witness to be eligible for assistance even if he or she is unrelated to the crime victim. To qualify, the minor witness must have been in close proximity to the crime.

*Must meet program requirements for eligibility. Contact 310-831-0006 for information.
